The Harveyan Staff Presents

HARVEYAN 1962

A farce in one act

by Robin Wiseman, Editor

The action of the play takes place at Morris Harvey College, Charleston, West Virginia, during the school year 1961-62.

Authors' Notes

HARVEYAN '62, a one-act farce, is dedicated to the Class of 1962—those for whom the curtain is about to be rung down on another act in life. These are the stars who are out before the curtain for their last bow. They will leave this play for others—each will play many parts in his lifetime . . . comedy . . . tragedy . . . satire . . . every type of drama. Some will meet again in another cast, but for many, this will be their only appearance together, and their fellow players in **HARVEYAN '62** will be only memories. Some few will leave an indelible mark on the playhouse, but the theatre and the play will leave a mark on all. Each of us retains a part of every character we play; and from **HARVEYAN '62**, we hope will be carried warm memories of the many scenes played at Morris Harvey.

“May the wind be always at your back,
May the road rise up to meet you,
May the Creator always hold you
in the palm of his hand.”

. . . Hindu prayer

The Freshman Class of 1961-62 have proven themselves to be a great asset to Morris Harvey College. They took off their beanies and started to work. The administration, faculty, and upperclass mates are all proud to have them in the ranks.

The Freshman Class lends beauty at all times to the halls of the school. Here we see the Homecoming Queen and four of her Court. All Freshmen. **Left to Right:** Joan Wiggins, Fay Brown, Queen Judy Cairo, Barbara Kaufman, and Nancy Alden.

Student Council

Morris Harvey students get a first-hand view of democracy in action through the workings of the Student Government Association. Not only at M. H. C., but on campuses throughout the nation, Student Government Associations wield strong influence over student life.

Commonly known as the "SGA", the Student Council serves as an executive committee representing the students. All the students of Morris Harvey are members of the SGA, and the Association's officers are elected from the student body.

The Student Council, consisting of the officers of the organization, class presidents and representatives, is the true seat of action. The Council's four permanent committees, Publicity, Activity, Judiciary, and Awards and Achievements, are concerned with the social, civic and intellectual aspects of student life.

SGA officers for 1961-62 are: Tom McNeel, President; Calvin King, Vice-president; Dale Ogle, Treasurer; Randa Jo Krise, Secretary; and Richard Hughes, Sergeant-at-Arms.

The Blackfriars

Miss Virginia Pomroy, Blackfriars Director and Faculty Advisor.

Robin Wiseman, Blackfriars President.

Blackfriars formed ranks this fall with many new faces in many new jobs. The workshop changed hands and name. Noah's Ark became Harper's Hangout and work began.

On September 30, 1961 the Circle K Cotillion Ball patrons were entertained with a melodrama called "Innocence Triumphs." Then the Student Variety Show swung the auditorium with the Counts of Calypso walking away with first prize.

The first real dramatic event occurred the morning of October 20th with our four inch snow fall—no electricity. "Dark Lady of the Sonnets" looked like it was really going to be in the dark. Cast and crew rallied to the cause, candles were gathered by all and Miss Pomroy, director, cautioned Queen Elizabeth, Robin Wiseman, to watch her cape in the firelight and the show went on.

Barter Theatre then graced our boards with "The Course of Love". And for once all workers in Blackfriars got to sit "out front" and relax.

The first three act play "Kind Lady" was given November 17 and 18. The crew got much extra work taking down and putting up the set. Many new faces were seen here as the freshmen turned out in mass to tryouts.

Row Two: Dotty Templeton, Tom Meyer, Doug Sherwood, Dick Walsh, Bob Edgar, Bonnie Peetz.

Row Three: Dick Elphick, Margaret Wright, Mike Shafer, Danny Donner, Ted Jeffries, Jim Harper, Miss Virginia Pomroy, Director and Faculty Advisor.

The group feared they would get soft so they joined forces with Kanawha Players for an Experimental Production. The workshop took on a new look—a temporary theatre—and Glenna Engle and Jim Harper directed two original one act plays.

Actor George Lehrer spent two days with Blackfriars, talking, coaching, and entertaining. He then presented "Mr. Lincoln" for an all school assembly.

Onward at a fast pace—the presentation of the evening Student Variety Show—singing, dancing, skits, and instrumental talents were displayed. Awards were presented by the Student Council.

March 16 and 17 found the final three act play "Goodby, My Fancy" on stage with laughter by all. But amid all the

fun and frolic, a sigh could be heard because the darkness had passed and dawn was aglow.

The annual Region Seven High School Drama Festival was held with schools from four counties competing for the two best plays so they could go to bigger and better things in the State Meet.

Come spring and one last one act was given for an assembly, The Creative Arts Festival and the tired group journeyed to Jackson's Mill for the Intercollegiate Drama Festival.

So with the shop put to rest, the hammers and saws cooling in place, the Blackfriars tired but happy retired to jump Railroad Ties.

"Really, the altitude is good for our sinus!" says Jim Harper, Production Manager, and Martha Jarrell, Vice President.

Debate Team

The Morris Harvey College Debate Team, under the direction of Mr. Robert Patterson, is a very active group of students. They hope to promote and create an interest in the skilled art of inter-collegiate debate by participating in various tournaments.

To further interest and show the student body some of the advantages and skill, the Team invited the Harvard Team to participate in a non-decision debate for an assembly program on March 16, 1962.

The nation debate topic this year is: Resolved: that labor organizations should be under the jurisdiction of the anti-trust legislation.

SNEA

The Student National Education Association is a professional society for students who plan to teach. Morris Harvey's George S. Laidley Chapter offers opportunities for its members to discuss educational topics and problems, to hear well qualified speakers, and to participate in professional activities at local, state, and national levels. SNEA members utilize the learning of the past along with their present discoveries to gain personal and professional growth.

Morris Harvey's chapter has the distinction of having one of the nation's most active SNEA members within its ranks. Mrs. Nancy Patterson is Secretary of the National SNEA, President of the Morris Harvey Chapter, and a member of the NEA Professional Ethics Committee. She is also a former President of the West Virginia SNEA.

Circle K Club

John W. Fairless, Jr., President

Chartered November, 1959 by Circle K International, the Circle K Club is a service organization for college men operating on the campus similar to the operation of its sponsor Kiwanis. It provides a means for the development of initiative and leadership for its members to be used on the campus and preparation for responsible, successful citizens for tomorrow.

Being dedicated to this spirit of service to the campus and community, Circle K is always ready to assist anyone desiring its services.

The past year has proven to be active and worthwhile for the Club as well as the campus. Circle K maintained an information booth and guide service during freshman orientation, presented its annual "Old South Cotillion Ball," co-sponsored with Radio Station WCAW "Miss Teenage America" contest for the Charleston area, sold newspapers for the Charleston "Kid's Day," sponsored the "John Allen Kinnaman Memorial Lecture Series," ushered at assemblies, and established a permanent guide and information service for the college.

The Comet

Morris Harvey College's weekly newspaper, **The Comet**, play an integral role in campus life.

Since its first edition in 1921, **The Comet's** main goal has been that of informing the student body. Staff members donate their time to cover all important news events and are frequently seen pounding the typewriter in order to meet the weekly deadlines.

This year, sophomore Nancy Young

skillfully edits and guides the paper toward each deadline. Jim Cottrell holds down two equally important jobs—that of managing editor and business manager. As school photographer, Arthur Jividen, is one of **The Comet's** busiest staff members. He is responsible for the coverage of the College's social, athletic and academic activities. Faculty advisor for the staff is Mr. Oscar E. Banks.

H A R V

The **HARVEYAN** Staff rushed into action with a rustle of paper and loud noise by all. Some faces in the **HARVEYAN** office changed, but a few stayed through till the last horn blew.

Early in the Fall, Editor Robin Wiseman set about to transform the dull, drab office into something a little more colorful. Whether or not "**Robin's Nest**" is a manifestation of the Editor's personality, as some people claim, it certainly has an atmosphere all its own.

E Y A N

As the year progressed, pictures were taken and copy written; some pictures were retaken and more copy written. Then, the top blew off and yellow envelopes with typed pages and pictures rushed via the U. S. Mail to the S. B. Newman Printing Company, Knoxville, Tenn.

So, with malice toward none, and thanks to all, the **HARVEYAN** Staff takes great pleasure in presenting the **HARVEYAN** for 1961-62.

"Your typewriter spells funny . . ."

ROBIN'S NEST

L'Aiglon

Editor Nancy Thomas and Business Manager Bob Mount.

This year Morris Harvey joined many of the nation's larger colleges and universities in presenting the literary efforts of its students in magazine form. Financed in part through donations, in part through the sale of the magazine itself, and in the main through the willingness of President Riggleman and Vice President Buckalew to underwrite the expenses, **L'Aiglon** is an attempt to present the students' ideas on a wide variety of subjects. Its staff hopes to encourage the fledgling author by enabling him to experience the gratification of seeing his work in print, and to encourage the fledgling artist in the same manner. It is hoped that **L'Aiglon** will become a semi-annual publication, a measure of the intellectual and artistic growth of the student body.

Row One: Mrs. Vivian Steahly, faculty advisor; Nancy Thomas, Cathy Bakas, Laura Zain. **Row Two:** Ethel Hunt, Bob Mount, Donna Rockhold, Vonnice Jarrell, Sandra Blizzard, Roger Morris, Freda Caven-dish.

Pre-Medical and Pre-Dental Association

Row One: Donna Pusateri, Shirley Grady, Betty Williams, Bobbie Bishop. **Row Two:** Dr. Frank H. Clark, faculty advisor; Herchel Gandee, Joe Patrick, Jim Cottrell. **Row Three:** Earl Burgess, Glendon Smith, John Merrifield, Larry Smith.

The Pre-Medical and Pre-Dental Association of Morris Harvey College was organized in the fall of 1959. Its main purpose is to instill within its members the true reasons for entering the medical profession: that is, to alleviate and cure pain. The Association is composed of those students who have a desired interest in the medical world, whether it be medical technology, pharmacy, medicine, or dentistry.

It is especially for those students who are actively enrolled in either a Pre-Medical or a pre-Dental curriculum with aspirations to enter medical school.

The organization held many functions over the year and went on trips to different types of medical schools. Included in these schools were West Virginia University and the University of Kentucky.

MENC

Row One: Karen Brown, Nina Nutter, Sandra Williams, Sharon Burtt. **Row Two:** Fay Brown, Mary Helen Chapman, David Morton, Betsy Wooldridge. **Row Three:** Charles Miller, Charles Winter, Jimmie Ingram.

The Morris Harvey chapter of the Music Educators National Conference, or MENC as it is commonly known, was organized in 1952. The organization strives to broaden the outlook of the world of musical activity, and works to increase the interest and knowledge in all areas of music education and aids in the preparation of professional musicians.

This organization deals with all phases of music teaching throughout the public schools, and also seeks to deepen the bonds of understanding between those members who desire to become professional musicians. It is the hope of the MENC that its members will make worthy contributions to life through the aesthetic medium of music.

Art Guild

The Art Guild of Morris Harvey is composed of those students who are not only interested in, but inspired by art. The Guild offers the opportunity of doing creative work as a recreational resource.

A very active organization, the Art Guild sponsors many exhibits of student work, and print sales throughout the school year in order to help promote interest in art on the campus and to offer stimulation to the discussion of contemporary art. Certainly, many an office and dorm room has been brightened with one of the Art Guild's prints.

The United Christian Fellowship resulted from the combining of the Wesley Foundation (Methodist), the Westminster Fellowship (Presbyterian), and the Roger Williams Fellowship (Baptist). The purpose of this Fellowship is to provide an effective, unified Christian fellowship on the Morris Harvey campus by encouraging high ideals of Christian life and society; by developing programs of service and worship; and by promoting closer cooperation between the churches of the community and the students of Morris Harvey.

The U.C.F. holds vesper services on each Sunday evening at 6:30. These programs cover a variety of subjects from a formal Eastern Orthodox service to an informal discussion of probing religious questions that intrigue the college student's thinking.

This and other avenues of fellowship offer all an opportunity to find an area of expression for his religious beliefs.

Officers for 1961-62 are Dick Holliday, President; Lucille Burns, Vice President (Baptists); Erma Vaught, Vice President (Methodists); Charles Hobbs, Vice President (Presbyterians); Wilcox Harrison, Vice President (Other Faiths); Betsy Wooldridge, Secretary; Jo Ann McNeel, Treasurer; and Dr. John W. Hollister, Advisor.

U.C.F. Candids

Short business meetings after Chapel services keep the U.C.F. programs coordinated, and the membership interested and informed.

This car wash provided a better Thanksgiving for someone. All the money made was given to a needy individual who was selected by the U.C.F.

Dr. Hollister, the U.C.F.'s beloved advisor, is the reason for much of the organization's success, and the increase in Chapel attendance.

Newman Club

The Newman Club, a member of the National Newman Club Federation, is composed of Catholic students at Morris Harvey.

It was organized in 1948 in order to deepen and enrich the spiritual and temporal lives of its members through a balanced program of religious, intellectual, and social activities; to weld the Catholic students into a common union, and to assist the college and its students whenever possible.

In 1960 the Newman Club became the first religious group in the history of Morris Harvey to have an off-campus location

for meetings and social gatherings.

For the first time, the Club has the honor of having two State Officers in the Morris Harvey group. They are Robert Dillon, President of the Newman Clubs of West Virginia, and Laura Zain, Newman Club State Secretary. Officers of the M.H.C. Newman Club are Bob Dillon, Sandra DeRito, Susan Hannon, and Jeanne Rada. Faculty Advisor is Mr. William Briggs.

Activities of the year include guest speakers, Communion Breakfasts, parties, dances, and mixes.

Row One: Betty Williams, Carolyn Sowers, Shirley Grady, Jeanne Rada. **Row Two:** Laura Zain, Sandra DeRito, Adrienne Rooney, Cay LeRose. **Row Three:** Susan Hannon, Sandra Maddox, Margaret Smith, Carol Nancollas, Regis Pongibove. **Row Four:** Pat Watson, Tom Treadwell, Phyllis Morton, Maria Pitello.

Eastern Orthodox Fellowship

Row One: Freda Valavnis, Alberta Salem, Anna Georgetson, Jacqueline Zakaib. **Row Two:** Paul Demitriow, George Corey, Alex Alexandrou. **Row Three:** Robert Howard, Robert Haddy, Richard Risk.

The Eastern Orthodox Fellowship was founded in the Fall of 1961, and is composed of members of the Orthodox Catholic faith. The purpose of this organization is to promote the spiritual and physical welfare of its members at Morris Harvey, in accordance with the religious teachings and practices of the Holy Eastern Orthodox Church. It endeavors to develop among

its members a spirit of leadership, cooperation, and devotion to the principles of the college and the Church.

This year's activities included lectures, discussions, an exhibition of art and literature, and religious services. Miss Alberta Salem serves as President of E.O.F., and the Student Spiritual Advisor is Mr. George Corey.

Young Democrats Club

The Morris Harvey Chapter of the Young Democrats Club had its beginning in 1960, with Carl Cooper serving as its first president. The organization was formed to create an interest in governmental affairs among students and to acquaint them with processes of party functioning.

One of the club's main projects is a voters' registration canvass in some Kanawha County precincts, which is to serve as a pilot project for the State Y.D.C. President Jack Pauley has also arranged for state political figures to appear on campus to speak to the members.

Row One: Shirley Grady, Shelly Epstein, Ronda Fink, Peggy Horton, Diane Clements, Beverly Krebs. **Row Two:** Georgianna McCollam, Barbara Warwick, Cay LeRose, Becky Agnew. **Row Three:** Tom Kalinoski, Beverly Barnett, Laura Zain, Judy Ingalls, Jo Ann McNeel. **Row Four:** Jim Wortman, Bill Dearian, James Hudnall, John Midkiff. **Row Five:** Bill Feazelle, unidentified.

Greek Government Association

Row One: Carolyn Hanger, Brenda Barker, Sandra Thomas, Robin Wiseman, Anna Anderson, David Morris. **Row Two:** Dr. Frank J. Krebs, faculty advisor; Judy Ingalls, Sue Ellen Doty, Bob Moskowitz, Chris Murphy.

Next to the Student Council, the most important governing body at Morris Harvey is the Greek Government Association. Formed in 1958, it was a replacement for the Panhellenic Council.

The promotion of the welfare of the social fraternities and sororities on campus and the aiding of them in their contribution to the general program of the college are the major purposes of the G.G.A. It also fosters and demonstrates a spirit of mutual helpfulness among the Greek letter organizations.

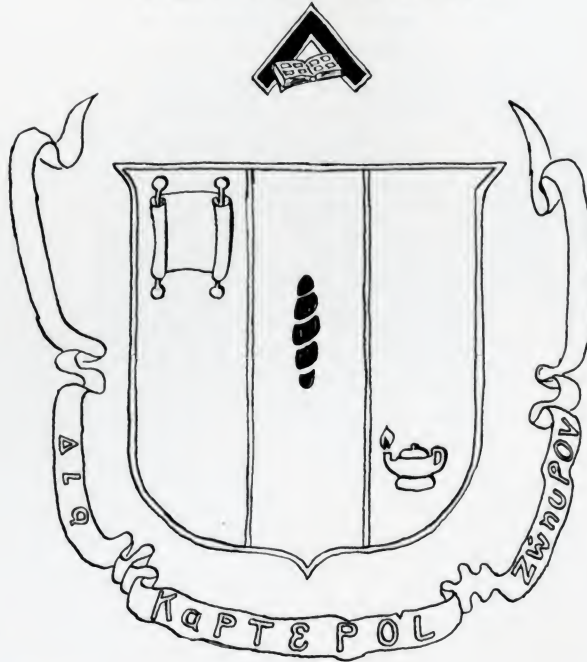

The G.G.A. sponsors two dances yearly, one each fall and one each spring, to serve as social functions for the student body. The group gives an award each year to the fraternity or sorority that contributes the most to the college and the community.

The membership is comprised of the elected officers, the president and a representative from each member organization, and a faculty advisor.

The Greek Government Association is serving the school and its members well.

Alpha Omicron Pi Sorority was founded at Barnard College of Columbia University in New York on January 2, 1897. The Phi Kappa Chapter at Morris Harvey was installed in April, 1961, and is the first NPC sorority on campus.

The purpose of A O Pi are to sublimate into a useful and enduring bond the friendship of the group and to keep this friendship forever an actual principle of life; to encourage membership based on character and likemindedness as well as individualism; and to contribute service to the college body as a whole.

One of the most active organizations on campus, Alpha Omicron Pi sponsors Howdy Day and an annual style show, the Sock Hop, the Bermuda Bounce, the Twilight Tea, a Hawaiian Rush Party, the Red Rose Ball, a Mother-Daughter Banquet, a Christmas party and caroling, plus various other activities. The Phi Kappa Chapter assists the sorority in its national philanthropic work, which is the maintenance and support of the Social Service Department of the Frontier Nursing Service in Kentucky. Locally, the A O Pi's help needy families and at the Union Mission Children's Home. The A O Pi's are also active in many campus organizations, including Student Council, United Christian Fellowship, G.G.A., Choir, Art Guild, SNEA, and others.

Kappa Sigma Kappa Fraternity was founded at Virginia Military Institute in 1867. Since that time the name of Kappa Sigma Kappa has stood for brotherhood, gentlemanly conduct, and academic excellence.

The West Virginia Gamma Chapter was founded on the Morris Harvey campus in 1947, and was the first National Fraternity on campus. Since then, Kappa Sigma Kappa has provided brotherhood for many leaders in all phases of student and faculty activity.

The past year has been one of the most successful in the history of the Morris Harvey Chapter. Kappa Sigma Kappa men decisively captured several offices in both the Student Government Association and the Greek Government Association, as well as class offices. The traditions of service to the college and academic superiority came to the fore again in the spring of 1961 with the winning of the College Social Award and the Dean's Scholarship Award. In addition a Kappa Sigma Kappa man won the President's Scholarship, and several brothers were on the Dean's List.

The brothers of Kappa Sigma Kappa are looking forward to another year of signal achievement in all areas of student activity.

Kappa Sigma is rich in the symbols and traditions that are so vital to fraternal life. Some of these traditions and ideals are seen at right. The Crest and paddle are symbolic of the rituals and traditions of almost a century of fraternalism. The mug stands for brotherhood and good times to be remembered. The megaphone represents our school spirit, and the trophy is indicative of the leadership for which Kappa Sigma Kappa men have always been known.

Duffy Agnew is named the Sweetheart of Kappa Sigma Kappa by President Ridinger at the May Day Ball. Left to right are: Jimmy Martin, Miss Agnew (now Mrs. Jimmy Martin), President Ridinger, and Dave Morris.

Alpha Sigma Phi

The history of Alpha Sigma Phi dates back to December 6, 1845, when the fraternity was founded at Yale University. The Alpha Sigs are proud of the fact that they are the tenth oldest national fraternity. The Gamma Mu Chapter at Morris Harvey was chartered on April 6, 1960, and is the only fraternity on campus that is recognized by the National Interfraternity Council.

The Cultural heritage of Alpha Sigma Phi is combined with that of the local Sigma Delta Phi. Socially the Alpha Sigs are quite active. Besides the usual private parties and functions, the Alpha Sigs are known for their energetic helping of less fortunate individuals. Such was the case last Christmas, when the Brothers presented a ping-pong table to the orphans at Mission Hollow Children's Shelter.

The Alpha Sigs are recognized in almost every organization on campus. They are represented in the Student Government Association with Tate King as Vice President, Dale Ogle as Treasurer, Frank Armada as Sophomore Class President, and Morris Logan as Co-President of the Junior Class. Alpha Sigs on the **Comet** Staff include Managing Editor Jim Cottrell, Photographer Arthur Jividen, and Cartoonist Guy Cuthbert. The Brothers are also active in the Band, Pre-Med Club, and on the **HARVEYAN** Staff.

The Barn may be torn down, but the tradition still remains with the Brothers of Alpha Sigma Phi.

Tau Kappa Epsilon

Tau Kappa Epsilon is the newest of the national fraternities on the Morris Harvey campus. The Beta Chapter of Phi Sigma Phi had the longest heritage of any fraternity on campus.

The Phi Sigma Phi fraternity was founded at Concord State Teachers College, Athens, West Virginia, on October 20, 1927. The local Beta Chapter was organized at Morris Harvey College on November 14, 1929. Since then, the men of Phi Sigma Phi have built a long heritage and brotherly feeling that is present today.

Carrying this heritage with them, the men of Phi Sigma Phi formally pledged TEKE in the spring of 1961. Tau Kappa Epsilon is one of the largest national fraternities, with over 175 active chapters. The first TEKE chapter was organized in 1899, and in 1915 the fraternity became a member of the National Interfraternity Council.

tive; Carlos Hurst, Chaplain; Bud Ross, Vice President.

TEKE's, as brothers of Tau Kappa Epsilon, have as their main objectives to unite young men from various localities, to instill a feeling of campus fellowship, to promote the interest of the college, and to open doors of social activity that might otherwise be closed.

It is the fraternity's policy that every TEKE engage in some beneficial campus extracurricular activity so that he may benefit his college, his fraternity, and himself.

The fraternity sponsors many outstanding activities during the school year, including the Playboy Party Dance, Turkey Hop, Christmas Formal, Bunny Hop, Spring Formal, and mixes after basketball games.

The fraternity also presents each year the George King Award to the outstanding basketball player on the Morris Harvey squad.

Alpha Psi Omega

The Lambda Delta Cast of Alpha Psi Omega, National Dramatics Honorary, was organized on the Morris Harvey campus to recognize those students who are outstanding in the field of drama. Membership is earned by participation in the Blackfriar productions. Each spring, a formal initiation and dinner is held in honor of the new members.

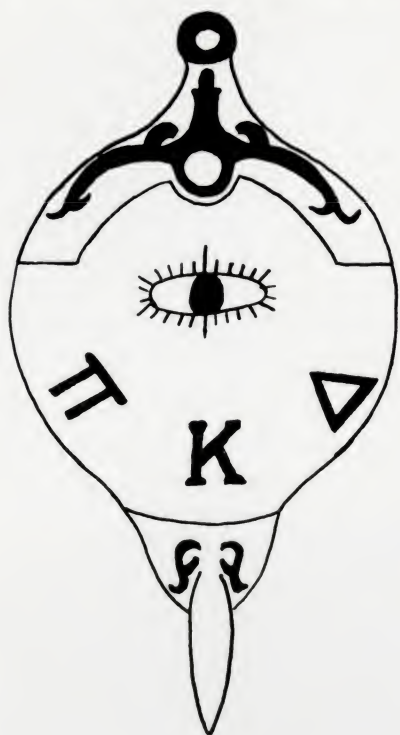

At the Annual Awards Assembly, Alpha Psi Omega names the best actress, best actor, and best technical worker of the year. The names of the winners are then inscribed on a plaque which is mounted outside the college auditorium. Last year, Nancy Patterson, Denver Wilson, and Ruth Legg received the awards.

Alpha Psi Omega is an honor that every member of Blackfriars covets and strives to obtain.

The West Virginia Gamma Chapter was established on the Morris Harvey campus on May 13, 1956, and membership is earned through participation in intercollegiate debates.

The purpose of Pi Kappa Delta is to stimulate interest in intercollegiate speech activities. The organization encourages a spirit of fellowship, brotherly cooperation, and an incentive for achievement.

Chi Beta Phi

The Epsilon Chapter of Chi Beta Phi Honorary Scientific Fraternity has been on the Morris Harvey campus since 1923, when it became the sixth organized chapter. The organization is composed of students and faculty members who show a high scholastic average and an outstanding interest in science.

Chi Beta Phi gives annually two awards, the Chi Beta Phi Science Medal and the Chi Beta Phi Scholarship Key.

The Science Medal is presented to the student who has maintained the highest average in the first twenty-four hours of college science, providing the average is ninety percent or better.

The Scholarship Key is an award from the National Grand Chapter to the outstanding member of each chapter of the fraternity.

With its motto, "Scientia Omnia Vincit," Chi Beta Phi membership is the goal of every science student at Morris Harvey.

Kappa Kappa Psi

Early in November, 1961, the male section of the Tempo Club petitioned Kappa Kappa Psi, national honorary band fraternity. After being accepted and approved, it was granted the charter for the Delta Nu Chapter, and on January 7, 1962, thirteen were initiated as charter members of the honorary fraternity for bandsmen at Morris Harvey. Purpose of the fraternity is to promote the college band and to create a respect for its activities and achievements.

At the formal installation of the new

chapter the members awarded Charles Colbert, band director, an honorary membership. Also, the Delta Nu Chapter recently awarded an honorary membership to Stanley Wolfe, Instructor of Theory and Composition at the Julliard School of Music.

During the past year, the organization held a number of mixes and co-sponsored the Monte Carlo Party, with all the proceeds going toward the building of a better band and helping to finance a band tour.

Who's

This year, ten students at Morris Harvey were named to Who's Who Among Students in American Universities and Colleges.

Students chosen for Who's Who were nominated by the Student Council and the faculty members of the Stu-

dent Affairs Committee. In selecting students, the committee considered the student's scholarship; his participation and leadership in academic and extra-curricular activities; his citizenship and service to the school; and his promise for future success.

Although considerable difficulty has been experienced the past few years in regard to practice and playing facilities, the MHC baseball team was able to play a twelve-game schedule during the 1961 season. In spite of these problems, and the fact that the squad was composed mostly of inexperienced boys, the team finished the season with a 4-8 record. The interest has increased considerably, and when definite arrangements can be made concerning playing facilities, the outlook will become much brighter.

Leading hitters for the season were outfielder Tommy Kinder, with a .347 average; and Darrell Salter, pitcher and outfielder, with a .279 mark. Salter also registered two victories in the pitching role. Other members of the squad included Ron Rexroad, Gary Miller, Dick Pillion, Paul Brady, Bob Griffith, Ted Ellis, John Mcconihay, Paul Demitriow, David Burdette, and Barry Tumpson.

Regular Season Record (21-4); Conference Record (19-1); Games Won (27); Conference Win Streak (22); Overall Win Streak (12); Season Point Total (2960). Games Played (33). The Eagles also won their first WVIAC Tournament, setting 5 Tournament Records, and their first NAIA Tournament game. Their all-season point average was 90.2, as opposed to their opponents' 74.1.
